

CORRUGATED FLAT BOTTOM Meridian

Meridian's 5" corrugated wall sheets allow for a wider 47" sheet increasing the overall capacity of the bin compared to other bin manufacturers. Meridian's 40" diameter bin lid and remote bin lid opener makes accessing the bin lid with the auger quick and easy. Roof with a 30° slope and extra high ribs for added strength.

STANDARD OFFERING:

- 5" corrugation
- 30° roof
- 40" diameter bin lid
- 4 - 16" diameter roof vents
- Roof inspection hatch
- 5" corrugated wall sheets
- Spiral staircase
- Temp cables
- Three-panel walk-in door
- Full floor aeration (.050 perf)
- Welded steel floor supports
- 11" U-trough unload (10 HP motor)
- 7.25" bin sweep
- Life span 20-plus years

MODEL	TIERS	CAPACITY	HEIGHT TO EAVES (FT.)	HEIGHT TO FILL CAP (FT.)	SWING AUGER REQUIREMENTS	TRUCK LOAD AUGER REQUIRED	STIFFENED/ UNSTIFFENED
Meridian 3607	7	25420	26.6'	36.7'	79'	10" x 41'	Unstiffened

No changes on standard packages other than power requirements. All other sizes ordered on special order.
