Sodium (Actual)	0.17%		

FEEDING DIRECTIONS:

Feed Mini-Pig Maintenance Ration to adult pot-bellied pigs at a rate of 1 – 2% of body weight to keep body weight regulated. If pigs are active, adjust feeding rate upwards accordingly.

Features and Benefits

- ❖ **Proven Feed**
 - Formulated by our specialty nutritionist and approved by zoo veterinarians this feed has been used to sustain African Red River Hogs as well as pot-bellied pigs.
- ❖ **Nutritionally Balanced**
 - Formulated to provide protein, energy, vitamins and minerals and fibre in an optimal balance to keep your mini-pigs at a healthy weight throughout their lives. With steel cut flax to provide Omega fatty acids.
- ❖ **Pelleted Feed**
 - Easy to handle, less waste, and the pigs get balanced nutrition in every bite.
- ❖ **No Animal By-Products**
 - Formulated with whole grains and vegetable proteins without the use of animal by-products.
- ❖ **Locally Grown Grains**
 - The grains and grain products used in this feed are from our Canadian Prairie region.
