

Product Information – Poultry Feed

Feed Name- **Organic 17% Layer Ration**

Feed form- Crumble

Product Number- OP30000B

Bag Size – 10 kg & 20 kg

This feed contains added selenium at 0.3 mg/kg

Guaranteed Analysis

Crude Protein (Min.)	17.0%	Sodium (Actual)	0.17%
Crude Fat (Min.)	3.0%	Vitamin A (Min.)	13,000 IU/kg
Crude Fiber (Max.)	5.5%	Vitamin D3 (Min.)	5,000 IU/kg
Calcium (Actual)	3.75%	Vitamin E (Min.)	150/IU/kg
Phosphorus (Actual)	0.63%		

FEEDING DIRECTIONS:

17% Organic Poultry Layer is designed to be fed to layer hens from approximately 5% lay to end of lay. This diet is intended to be fed at approximately 95 – 120 grams per hen per day. The exact feeding rate will be determined by the strain of bird, body weight and condition and barn temperature. Oyster shell or insoluble grit could be sprinkled on the feed once a week at the rate of 0.5 to 1.0 kg per 100 birds. Allow hens' access to fresh water at all times.

Features and Benefits

- ❖ **Certified Organic Feed**
 - Country Junction organic feeds are certified by Pro-Cert Organic Systems. They are made using certified organic commodities and only organic approved micro ingredients. Organic ingredients are non-GMO varieties and are not treated with chemical pesticides.
- ❖ **Good for Multi Aged Flocks**
 - The protein level in this feed is ideal for a cross section of ages of laying birds from the young laying birds in your flock to the older ones. Perfect for the backyard flocks.
- ❖ **Nutritionally Balanced**
 - Formulated to provide protein, energy, vitamins and minerals in an optimal balance for your organic laying birds.
- ❖ **Crumbled Feed**
 - Easy to handle, less waste, and the birds get the balanced nutrition in every peck.
- ❖ **No Animal By-Products**
 - Formulated with whole grains and vegetable proteins without the use of animal by-products.
