Ingredients

Beet molasses, soybean meal, ground flaxseed, flaxseed oil, corn gluten meal, salt, yeast culture dehydrated (Reg.#990206), limestone, monocalcium phosphate, dicalcium phosphate, magnesium oxide, L-lysine, zinc amino acid complex (Reg#990585), manganese amino acid complex(Reg#990588) , copper amino acid complex(Reg#990577) , zinc sulfate, manganese sulfate, copper chloride (Reg#990370), sodium selenite, ethylenediamine dihydriodide, cobalt carbonate, vitamin A acetate, vitamin C, vitamin D₃, vitamin E, riboflavin, biotin, thiamin mononitrate.

Feeding Directions

Provide free-choice as a supplement to horses of all sizes at the rate of one block for each 1 to 10 head. When group feeding, place blocks in pen or pasture to minimize competition and assure easy accessibility. Mature horses normally consume approximately 1 kg per head daily. Consumption may vary depending on climate, forage quality, forage availability, accessibility to other feeds, size, condition and/or age of horses. In situations where increased intake is desired, reduce access to other sources of supplemental energy such as grain or other feed supplements.

Provide access to fresh water at all times.

Product No. H97250 Net Weight: 113.4 kg

CAUTION: "Direction for use must be carefully followed."

CAUTION: "Do not use in association with other feeds containing supplemental Selenium."
