**FEEDING DIRECTIONS:**

Prostock 18% Pig Starter should be fed as the sole ration to piglets from 25 kg until 45 kg body weight then change to a 16% Hog Grower Ration. Allow piglets access to fresh water at all times.

**Features and Benefit**

- ❖ **Nutritionally Balanced**
  - Formulated to provide protein, energy, vitamins, and minerals in an optimal balance for your growing pigs.
- ❖ **Pelleted Feed**
  - Easy to handle, less waste, and the pigs get balanced nutrition in every bite.
- ❖ **No Animal Byproducts**
  - Our Hog Grower is formulated with whole grains and vegetable proteins without the use of animal byproducts.
- ❖ **Locally Grown Grains**
  - The grains and grain products used in this feed are from our Canadian Prairie region.
