

Cluckin' Good

20% Grower Ration

DIRECTIONS FOR USE:

Feed this chicken grower feed continuously as the sole ration to laying chickens from 8 weeks to 15-18 weeks of age, or until the start of egg laying.

Broiler Chickens from 8 weeks to finishing
Ensure adequate water to drink is always available.

Food is perishable - Do not use the feed if it is mouldy, smells musty, or has been contaminated by rodents/insects. Store in a cool, dry place to extend freshness.
