Directions for Use

Feed this chicken grower feed continuously as the sole ration to chickens from 4 weeks to 8 weeks of age or until start of egg laying.

Ensure adequate water to drink is always available.

Feed is perishable — do not use this feed if moldy, smells musty, or has been contaminated by insects or rodents. Store in a cool, dry area to extend freshness.

Not for human consumption!

Manufactured by Hi—Brow Ltd. RR1 Clive AB T0C 0Y0
