## Guaranteed Analysis

This feed contains added selenium at $2.4 \mathrm{mg} / \mathrm{kg}$.

| Crude Protein (Min.) | $32.0 \%$ |  | Cobalt (Min.) | $4 \mathrm{mg} / \mathrm{kg}$ |
| :--- | :---: | :--- | ---: | ---: |
| Crude Fat (Min.) | $3.0 \%$ |  | Copper (Min.) | $160 \mathrm{mg} / \mathrm{kg}$ |
| Crude Fiber (Max.) | $10.0 \%$ |  | lodine (Min.) | $4 \mathrm{mg} / \mathrm{kg}$ |
| Calcium (Actual) | $3.0 \%$ |  | Iron (Min.) | $200 \mathrm{mg} / \mathrm{kg}$ |
| Phosphorus (Actual) | $0.9 \%$ |  | Manganese (Min.) | $480 \mathrm{mg} / \mathrm{kg}$ |
| Potassium (Actual) | $1.0 \%$ |  | Zinc (Min.) | $600 \mathrm{mg} / \mathrm{kg}$ |
| Magnesium (Actual) | $0.8 \%$ |  | Fluorine (Max.) | $50 \mathrm{mg} / \mathrm{kg}$ |
| Sulfur (Actual) | $0.6 \%$ |  | Vitamin A (Min.) | $70,000 \mathrm{IU} / \mathrm{kg}$ |
| Sodium (Actual) | $1.0 \%$ |  | Vitamin D3(Min.) | $14,000 \mathrm{IU} / \mathrm{kg}$ |
|  |  |  | Vitamin E (Min.) | $200 \mathrm{IU} / \mathrm{kg}$ |

FEEDING DIRECTIONS:
32-0 Dairy Supplement is designed to be mixed with barley at a rate of $25 \%$, as shown below.

| 32-0 Dairy Supplement | 250 kg |
| :--- | :---: |
| Barley | 750 kg |
| Total | 1000 kg |

The resulting $16 \%$ dairy ration should be fed with excellent quality cereal silage and legume forage. Feed the $16 \%$ dairy ration at a rate of approximately 1 kg for every $3-4 \mathrm{~kg}$ of milk produced to a maximum of 12.78 kg , as shown in the table below. The age, stage of lactation, quality and intake of forage and body condition of the cow will determine the exact amount of $16 \%$ dairy ration required.

Cows should always have free choice access to salt and clean drinking water. Consult your UFA feed advisor or nutritionist for more detailed feeding directions.

Maximum intake of the resulting $16 \%$ dairy ration based upon selenium content is shown in the table below.

| Body Weight | 400 kg | 500 kg | 600 kg | 700 kg |
| :--- | :--- | :--- | :--- | :--- |
| Maximum Daily <br> Intake of Dairy <br> Ration (as fed) | 6.8 kg | 8.3 kg | 9.9 kg | 10.6 kg |
