AGRI-BLOK™

EQUEST™ 8:8 RANGE HORSE MINERAL BLOCK

This feed contains added selenium at 5 Mg/Kg

GUARANTEED ANALYSIS

Calcium (act.)	8.0 %
Phosphorus (act.)	8.0 %
Salt (act.)	29.4 %
Sodium (act.)	11.5 %
Fluorine (max.)	700 Mg/Kg
Magnesium (act.)	2.0 %
Sulfur (act.)	.5 %
Iron (act.)	3,800 Mg/Kg
Copper (act.)	600 Mg/Kg
Zinc (act.)	3,000 Mg/Kg
Manganese (act.)	2,500 Mg/Kg
Cobalt (act.)	10 Mg/Kg
Iodine (act.)	15 Mg/Kg
Vitamin A (min.)	300,000 IU/Kg
Vitamin D (min.)	30,000 IU/Kg
Vitamin E (min.)	1,500 IU/Kg

INGREDIENTS Dicalcium phosphate, limestone, salt, defluorinated rock phosphate, dried beet molasses, sugar cane molasses, mineral oil (dust control agent), manganous oxide, magnesium oxide, ethylene diamine dihydroiodide, ferrous sulfate, ferric oxide (colouring agent), cobalt carbonate, zinc oxide, copper sulfate, sodium selenite, (flavouring agent), Registration No. 980214, Vit A, Vit D3, and Vit E.

FEEDING INSTRUCTIONS AGRI-BLOK™ - EQUEST™ 8:8 HORSE MINERAL BLOCK is designed to be fed free-choice to balance and supplement forages for growing and mature horses providing essential vitamins and minerals on range or confinement feeding. When adapting horses to blocks, ensure that they are well fed and have access to water. Expose blocks to horses near water or loafing areas. Place 1 x 25 Kg block for every 5 horses - every 20-25 days, or 1 x 125 Kg block for every 25 horses - every 20-25 days, or 1 x 2.5 Kg block for 1 horse every 25 days. Regulate the blocks in this manner so that intake would be approximately 150 grams per head per day on mature horses.

Equest™

"Proudly Canadian" 

NOTE: Because AGRI-BLOK™ is offered free-choice, intake may vary due to various circumstances, therefore, one should monitor intake to achieve the best nutritional and economic benefits from your AGRI-BLOK™ feeding program.

NOTE: Initial intake of this block may be higher than usual recommendations, but should stabilize after approximately 14 days.

NOTE: Because the salt level in this block is adequate, additional salt is NOT required.

NOTE: Ensure water is available free-choice at all times.

CAUTIONS

1. Directions for use must be carefully followed.
2. Do not use in association with another feed containing supplemental selenium
3. Individual results from the use of this product may vary due to management, environment, genetical health and sanitation differences, therefore Canadian Agri-Blend Inc. does not warrant or guarantee individual results.
