Sodium (Actual)	0.35%			

FEEDING DIRECTIONS:

16% Sweet Horse Ration is specifically designed for horses that are at a moderate to heavy exercise program (2 – 5 hours per day). This feed is intended to be fed with dust-free good quality hay according to the following schedule:

Work 16% Sweet Good

Load Horse Ration Hay

(daily)

kg per 100 kg of body weight

Moderate Work

(2 – 4 hr.) 0.8 – 1.2 1.0 – 1.5

Heavy Work

(3 – 5 hr) 1.0 – 1.5 0.8 – 1.5

The actual feeding level will be determined by the quality of the forage, level and intensity of the work, and the condition of the horse. Always allow free choice access to clean water, salt and an excellent quality equine mineral. Consult your Country Junction feed advisor or nutritionist for more detailed feeding directions.

Features and Benefits

❖ **Nutritionally Balanced**

- Formulated to provide protein, energy, vitamins, and minerals in an optimal balance for your horse.

❖ **Locally sourced grains**

- The grains used in this feed are from our Canadian Prairie region.

❖ **Diamond V Yeast**

- Enables improved digestion through enhancing hind gut health
